Dear Mr Wood,

I rang you up while I was in New York as I wanted to know if you were interested in purchasing the Illus Coins & what you would give me for them - All of the coins were in an Old trunk left me by a relative & I know nothing of their past history.

Yours sincerely
J. L. Dawson

Dear Sir:

I am sorry not to have been in the Museum when you telephoned. As a matter of fact I was away sick most of the summer.

I do not think we would care for the remaining gold coins that you have. Presumably they duplicate our and we would have to sell them. Why not write to Mr. Henry Chapman, 333 South 16th Street, Philadelphia? I am inclined to think he would offer you a premium if they were worth such.

Very truly yours,

Curator.
